Subject: Arlenes Inn - variance request for creating a new site layout map in CADD - Willard, WI (03-10-196577) (54493-8809-31)

Duabchi, we are working on the closure request for the above site and going through different maps and no one map has all the well locations, excavation areas, SSVS locations, and none of them have property boundaries which are required in the closure request. We are requesting a variance in the amount of **\$552.24** (\$69.03/hour x 8 hours) for preparing a new site layout map in CADD along with all other maps that will be required as part of the closure request.

Any questions let me know.

Thanks,

Jason Powell
