Hi Jason, this email will serve as your approval for after-the-fact costs in the amount of \$72.87 for MDT40-concrete penetration (as part of a MW installation), omitted from a previous approval, dated February 11, 2018. Please submit this email with your claim. Be advised, the department must be notified within (48) hours of an overage. Future costs may not be approved if a notice is not received within the (48) hour timeframe. If you have any questions, let me know. Thanks for your patience, Carrie

It is additional as one of the wells had to be installed in concrete and we did not have this included in our most recent cost estimate. Thanks,

Jason Powell

Subject: Steve's Corner Bar

Hi Carrie,

I am writing to request a cost cap for the Steve's Corner Bar, PECFA #54514-9802-00, Drilling Project.

The costs requested are as follows:

Task 15/MDT40, Concrete Penetration – 1 x \$72.87 = \$72.87

Thanks,

Debby
