Hi Randy – This is a courtesy note to let you know DNR is sending you two copies of a Notice via certified mail as required in statute. One will be addressed to Oakfield Properties, Inc. and one to Exfoliate Properties, LLC. The notice is regarding the vapor investigation we discussed in December 2022 ahead of the work being performed. This work will continue for several months yet to complete the data collection and reporting.

I also left you a brief voice mail message at your place of business. Please contact me with questions at any time via email or at the phone number listed below.

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.
