

**Letter of Transmittal**

**Submitted to:**

**Ralph Smith**

WI. Dept. of Natural Resources - GEF2

101 S. Webster St.

PO BOX 7921

Madison WI 53707 7921

Date: 7/19/2017	<input checked="" type="radio"/> Attached
Job: Smith's Union 76 Station (Fmr)	<input checked="" type="radio"/> Under Separate Cover

Contents: Updated Site Layout Map BRRTS #: 03-16-000069
---

Remarks:  
Attached are copies of the updated site layout maps following our 7/13/17 site visit. The first map shows potential areas for either installing hand driven sand point wells or compliant monitoring wells with a drill rig in locations that are S/SE of CNMW-8 as requested. Following your review of this information please contact METCO to discuss.

If you have any questions please call or email.

Signed: Jason Powell  
cc: Adam Bachand - Client
