Dear Mr. Hannan:

On November 19, 1998, the Department of Natural Resources (“department”) sent a letter directing you to take appropriate response actions at the above-referenced property under Wis. Stats. ch. 292 and Wis. Admin. Code §§ NR 700 through 754. In accordance with Wis. Stats. § 292.81(2), you are hereby notified, as a responsible party under Wis. Stats. ch. 292 and Wis. Admin. Code § NR 700.03 (51), that the department intends to incur expenses as authorized under Wis. Stats. § 292.31(3). The department will hire a contractor to conduct soil sampling, install groundwater monitoring wells, and sample the new and existing groundwater monitoring wells.

Please be aware that you could be held responsible for reimbursing the department for the expenses incurred to do the work described in this letter and that the department may file a lien against the above-described property to recover the incurred expenses.

If you have questions concerning the activities described in this letter, please do not hesitate to contact me at 920-424-0025 or Thomas.Verstegen@wisconsin.gov.

You should provide a copy of this notice to any interested party or mortgagees not identified by the department. Thank you.

Sincerely,
