SUBJECT: Second request for Permission for Access to Sample and Install Monitoring Wells,
131 Country Road CP – Parcel # 111-01319.000 and 125 Country Road CP – Parcel #
111-01318.000, Village of Coleman, Marinette County, Wisconsin

Dear Mr. and Ms. Hannan:

The Department of Natural Resources (“the department”) is requesting permission to access your property, described above, for soil sampling, installation of monitoring wells, and groundwater sampling of existing and new monitoring wells. On April 1, 2019 the department contacted you seeking permission for access to sample and install monitoring wells. As of this date the department has not received permission to access or any communication regarding the D&G Mobil Quikmart site.

The department will hire a contractor to perform the work related to the D&G Mobil Quikmart site, and plans to begin work the summer of 2019. Department staff or their hired consultant will be on-site to collect the soil and groundwater samples and install monitoring wells. You do not need to be on site for us to complete this work and you will be provided with a copy of the analytical results.

Please sign the enclosed Access Permission Agreement and return it to me in the enclosed stamped envelope within 10 days of receipt of this letter. If the department does not receive the signed Access Permission Agreement within 10 days, it will move forward as though access has been denied to the above properties.

Please be aware that you could be held responsible for reimbursing the department for the expenses incurred, reference the Notice of Intent to Incur Expenses sent with the previous Request for Permission for Access received by Dianna Hannan on April 6, 2019.

If you have any questions, please contact me at (920) 662-5431, by writing to the address at the top of this letter or by email to Sarah.Krueger@wisconsin.gov.

Sincerely,

Sarah Krueger
