**Subject:** Addtl Lawn Repair - Piotrowski lawn and ball field area (Township of Jump River)  
**Attachments:** 20180530103902820.pdf; IMG\_1107.JPG; IMG\_1118.JPG; IMG\_1128.JPG

Hi Carrie.

We are completing the MW installation work at Jim's Bar site in Jump River. So far, the wells across the ball field appear to be clean...lab analysis will confirm this.

During well installation, we are leaving tracks (lawn damage) due to rainy weather the past week (see attached pictures). We are also leaving tracks at the site (Cindy Piotrowski).

Can you please approve an additional \$300 for lawn repair at Cindy's and at the Township of Jump River property (adjacent to ball field).

Similar cost breakdown as below:

- Olynick will provide black dirt (5 yds for \$110)
- A couple local people offered to do the labor...I will pay them \$10/hr...I am estimating 10 hrs x \$10 x 2 people = \$200

There is no cell service in Jump River...send text or email and it might get through.

Thanks

**Subject:** RE: Lawn Repair - Cindy Piotrowski's home

As we discussed in phone call:

Olynick will provide black dirt (5 yds for \$110)

A couple local people offered to do the labor...I will pay them \$10/hr...I am estimating 10 hrs x \$10 x 2 people = \$200

Total Estimate is \$300

**Subject:** RE: Lawn Repair - Cindy Piotrowski's home

Carrie.

I found some local folks who will help repairing the lawn at Cindy's (see earlier emails).

Estimated Cost:

5 yds of Black dirt \$110

Labor estimate \$200.

So estimate repair cost to be \$300.

**Subject:** Lawn Repair - Cindy Piotrowski's home

Hi Chris.

As you know, we are drilling in Jump River at Cindy Piotrowski's place. We are using an ATV rig with rubber tracks...but we are leaving tracks especially when we turn (see attached).

**Can you email me a price for fixing the lawn after we are finished?**

I am thinking:

- Top-dress and smooth out damaged area using black dirt...Might have to roll it??
- Lawn seed (probably a Starter Mix...???)

We should be done drilling this week...so can you repair right after Memorial Day? I need cost estimate first...

Thanks!

Jim & Cindy's Bar, W14764 State Hwy 73, Gilman

---

On May 29, 2018, the Wisconsin Department of Natural Resources (Department) received a scope of work (SOW) and cost estimate utilizing the chapter NR 747, Wisconsin Administrative Code, Usual and Customary Cost Schedule (Cost Schedule) for the site referenced above.

The Department has determined that the submitted SOW is reasonable and **approves** the additional costs. This site will be deferred from the public bidding process at this time. The Department will contact you if this site will be bid in the future.

**Deferment Cost Cap Approved: \$300.00**

Be reminded that ch. NR 700 semi-annual progress reporting is required until this case is closed.

**Note:** A claim for PECFA reimbursement must be submitted within 180 days of incurring costs (i.e., completing a task). If a claim for costs incurred is not submitted within this deadline, the costs will not be eligible for PECFA reimbursement. If you need assistance with filing your claim, please contact Tim Prosa at (608) 261-7715.

Usual and customary costs for activities included in this approval will only be reimbursed at a rate equal to or less than what is allowed on the Cost Schedule, and are reimbursed based upon the Cost Schedule that is in effect at the time the activity is performed. Costs for activities not included in this approval are not reimbursable without prior Department authorization.

Regulatory Correspondence (Task 7, Activity RC05), Claim Submittal (Task 27, Activity CS05) and Standardized Invoice (Task 28, Activity SI05) costs are not included in the cap approved above. These activities will be reimbursed according to the task specifications and with submittal of proper supporting documentation at claim review time.

**The Department approves a variance from the Cost Schedule for commodity materials and labor to repair lawn areas which were damaged during the soil boring and monitoring well installations.** Do not include these costs (\$300.00) on the standardized invoice for usual and customary cost activities. Include these costs on a separate company invoice. When you submit the claim for these costs, please attach a copy of this letter and the attached worksheet for the claim reviewer's reference. The Department waives the commodity three-bid requirement with this variance approval.

The Department considers the consultant the primary controller of costs during these activities. This approval does not guarantee eligibility of any specific costs that have been incurred or that may be incurred in the future. Final determination regarding the eligibility of costs will be made by the claim reviewer when the entire claim, including all invoices and reports, is submitted for payment.

Thank you for your efforts to protect Wisconsin's environment. If you have any questions, please contact me in writing at the letterhead address or by telephone at (715) 365-8942.

Sincerely,

Carrie Stoltz
