Carrie.

We need to deal with the carbon filter at the Store in Jump River.

See attached quote.

Remove system \$325

Or, leave system in place and Re-Bed (replace) the carbon filter \$440

Property owner will assume future ownership and maintenance of the carbon filtration system.

Can you call me to discuss?

Thanks

Hi Mike.

I need the carbon filter changed at the Country Store in Jump River.

Apparently they also have sediment filters which need to be changed.

Can you give me price to change the Carbon filters and sediment filters?

Also, can you give me price to remove the carbon filtration system including all plumbing changes?

You might want to call me so we can go over this.

Thanks!
