**Subject:** Moose Junction Closure Submittal

Hi Dave, On June 18, 2020, the Department received a closure packet for the Moose Junction site (03-16-000301). It is our understanding In order to qualify for reimbursement, the Department needs to generate a response stating a closure request was received and that can be as simple as email response to you. Fees in the amount of \$1700.00 (\$1050 closure review, \$350 GW database and \$300 Soil database) are needed. I will place a copy of this email in the PECFA Electronic Mailbox, so that the Claims Reviewer knows the Department received a closure request. Please submit this email along with your claim. If you have any questions, please feel free to contact me. Thanks, Carrie

**We are committed to service excellence.**
