SUBJECT: Approval of Consultant Selection and Scope of Work
V&L Stripping – Former, 864 Mather Street, Green Bay, Wisconsin
DNR BRRTS # 02-05-216722

Dear Mr. Juza:

On April 24, 2017, the Wisconsin Department of Natural Resources (DNR) received your request to hire Mach IV Engineering & Surveying LLC (Mach IV) as your environmental consultant for the remedial action activities at the V&L Stripping – Former site. After careful review of the submitted proposal the DNR is approving your request to hire Mach IV for the remedial action activities at the V&L Stripping - Former site. The scope of work outlined in Mach IV's April 1, 2017 submittal titled *Remedial Action Plan Proposal* is also approved.

The cost approved for this scope of work is \$58,619.00 for consulting and \$45,530.00 for sub-contractors, for a total of \$104,149.00. The cost approved for this remedial action is \$234,175.00. The total cost approved to date for this site is \$286,300.00.

Please be aware that you are required to comply with all applicable statutes and administrative rules including the NR 700 series, Wisconsin Administrative Code, hazardous waste management and wastewater discharges.

This approval does not guarantee the reimbursement of costs under the Dry Cleaner Environmental Response Program. Final determination regarding the eligibility of costs for reimbursement will be made at the time of claim review.
