**Subject:** DHS planning passive sampling at Jim's Music - One Hour Martinizing, BRRTS # 02-05-217270

Qefli,

DNR has been in communication with Department of Health Services (DHS) and Brown County Health Department (BCHD) regarding vapor analytical results that were submitted to the DNR on November 9, 2021. DHS and BCHD have been in contact with Jim's Music regarding the ongoing vapor action level exceedances within their tenant space. At Jim's Music's request, DHS will be performing passive badge sampling within their space in the near future (tentatively scheduled for this Thursday, January 13th). This will be at no cost to you.

DNR will be sending a separate email in response to the documentation of system modifications and vapor analytical results.

Sincerely,  
Josie
