Hi Raquel,

This site was closed on February 22, 2018 and I have recently been working on the VPLE COC for this site. Fortunately this packet has not been processed by you and uploaded to BRRTS yet. As part of the VPLE COC preparation, I noticed we were missing sheets 2 and 3 from the CSM, so I got the complete recorded CSM from the VPLE applicant, which I have put in the e-file in the closure packet folder (titled CSM Recorded Copy). That should replace the incomplete CSM in Attachment F.2. Also in Attachment F.2. a description of vacated ROW on Huth and Erma Street was included and not sure why because it has no association with the property. Please see my attached vacated ROW clarification. I recommend removing the description of the vacated ROW in Attachment F.2.

If you have any questions or need anything else from me, please let me know.

Thanks,
