Dear Mr. Clark and Mrs. Richardson:

On August 1st, 2019, the Northern Region Closure Committee determined the monitoring wells located on the former Jennerman's Amoco site (BRRTS # 03-55-000592) could be abandoned. I sent an email to your consultant, Ken Shimko-Meridian Environmental asking if he would need any of these wells for further groundwater monitoring at the Auto Stop and Doug's Tire sites. Please work with Ken and let me know your decision by August 9, 2019.

If you have any questions, please contact me at (715) 365-8942 or by email at Carrie.Stoltz@Wisconsin.gov

Sincerely,
