RE: **Public Bidding Deferred – Cost Cap Approved**

Commerce # 54763-9623-02-A **DNR BRRTS # 03-17-223007**
Fosters Corner Store, 102 State Rd 25, Ridgeland

On May 31, 2011, the Wisconsin Department of Commerce (Commerce) received a scope of work (SOW) and cost estimate utilizing the Comm 47, Wisconsin Administrative Code, Usual and Customary Cost Schedule (Cost Schedule) for the site referenced above.

Commerce has determined that the submitted SOW is reasonable and **approves** the additional costs. This site will be deferred from the public bidding process at this time. Commerce will contact you if this site will be bid in the future.

This approval is for Tasks not included in the April 25, 2011 SOW. These Tasks include the installation and development of a monitoring well, a monitoring well survey, one soil boring and one soil sample (analyzed for PVOs and naphthalene). A copy of Commerce's worksheet for the Cost Schedule tasks is enclosed for your reference.

Deferment Cost Cap Approved:

\$ 1,170.30

Be reminded that annual web reports are required until this case is closed.

Usual and customary costs for activities included in this approval will only be reimbursed at a rate equal to or less than what is allowed on the Cost Schedule, and are reimbursed based upon the Cost Schedule that is in effect at the time the activity is performed. Costs for activities not included in this approval are not reimbursable without prior Commerce authorization.

Regulatory Correspondence (Task 7, Activity RC05), Claim Submittal (Task 27, Activity CS05) and Standardized Invoice (Task 28, Activity SI05) costs are not included in the cap approved above. These activities will be reimbursed according to the task specifications and with proper supporting documentation submitted with the PECFA claim.

Commerce considers the consultant the primary controller of costs during these activities. This approval does not guarantee eligibility of any specific costs that have been incurred or that may be incurred in the future. Final determination regarding the eligibility of costs will be made by the claim reviewer when the entire claim, including all invoices and reports, is submitted for payment.

Note: If you have not submitted a reimbursement claim in the past 12 months, Commerce encourages you to do so at this time. In the future, we may review your claim submittal history and require a claim. Failure to submit a claim at that time would result in denial of reimbursement for corresponding interest costs. If you

need a claim packet or would like assistance with filing your claim, please contact Renee' Dickey at (608) 264-8765.

Thank you for your efforts to protect Wisconsin's environment. If you have any questions, please contact me in writing at the letterhead address or by telephone at (715) 345-5307.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tim Zeichert', with a large, sweeping flourish extending to the right.
