Dear Tim and Pat:

Please recall that a sewer lateral may have been damaged during installation of monitoring wells MW-6 and/or PZ-1 (see attached map). A local contractor (Wirth Bros.) is going to fix the sewer lateral in August (date to be determined). This work will involve excavating to the sewer line, repair it, and then backfill to grade. Completion of this work may require wells MW-6 and/or PZ-1 be abandoned. We will make every effort to save and/or repair the well(s), but may need to abandon it/them in order to complete the sewer repair.

Enclosed is a Change Order for the estimated costs for Meridian to observe the sewer repair and, if necessary, repair or abandon MW-6 and/or PZ-1. Every effort will be made to save the well(s).

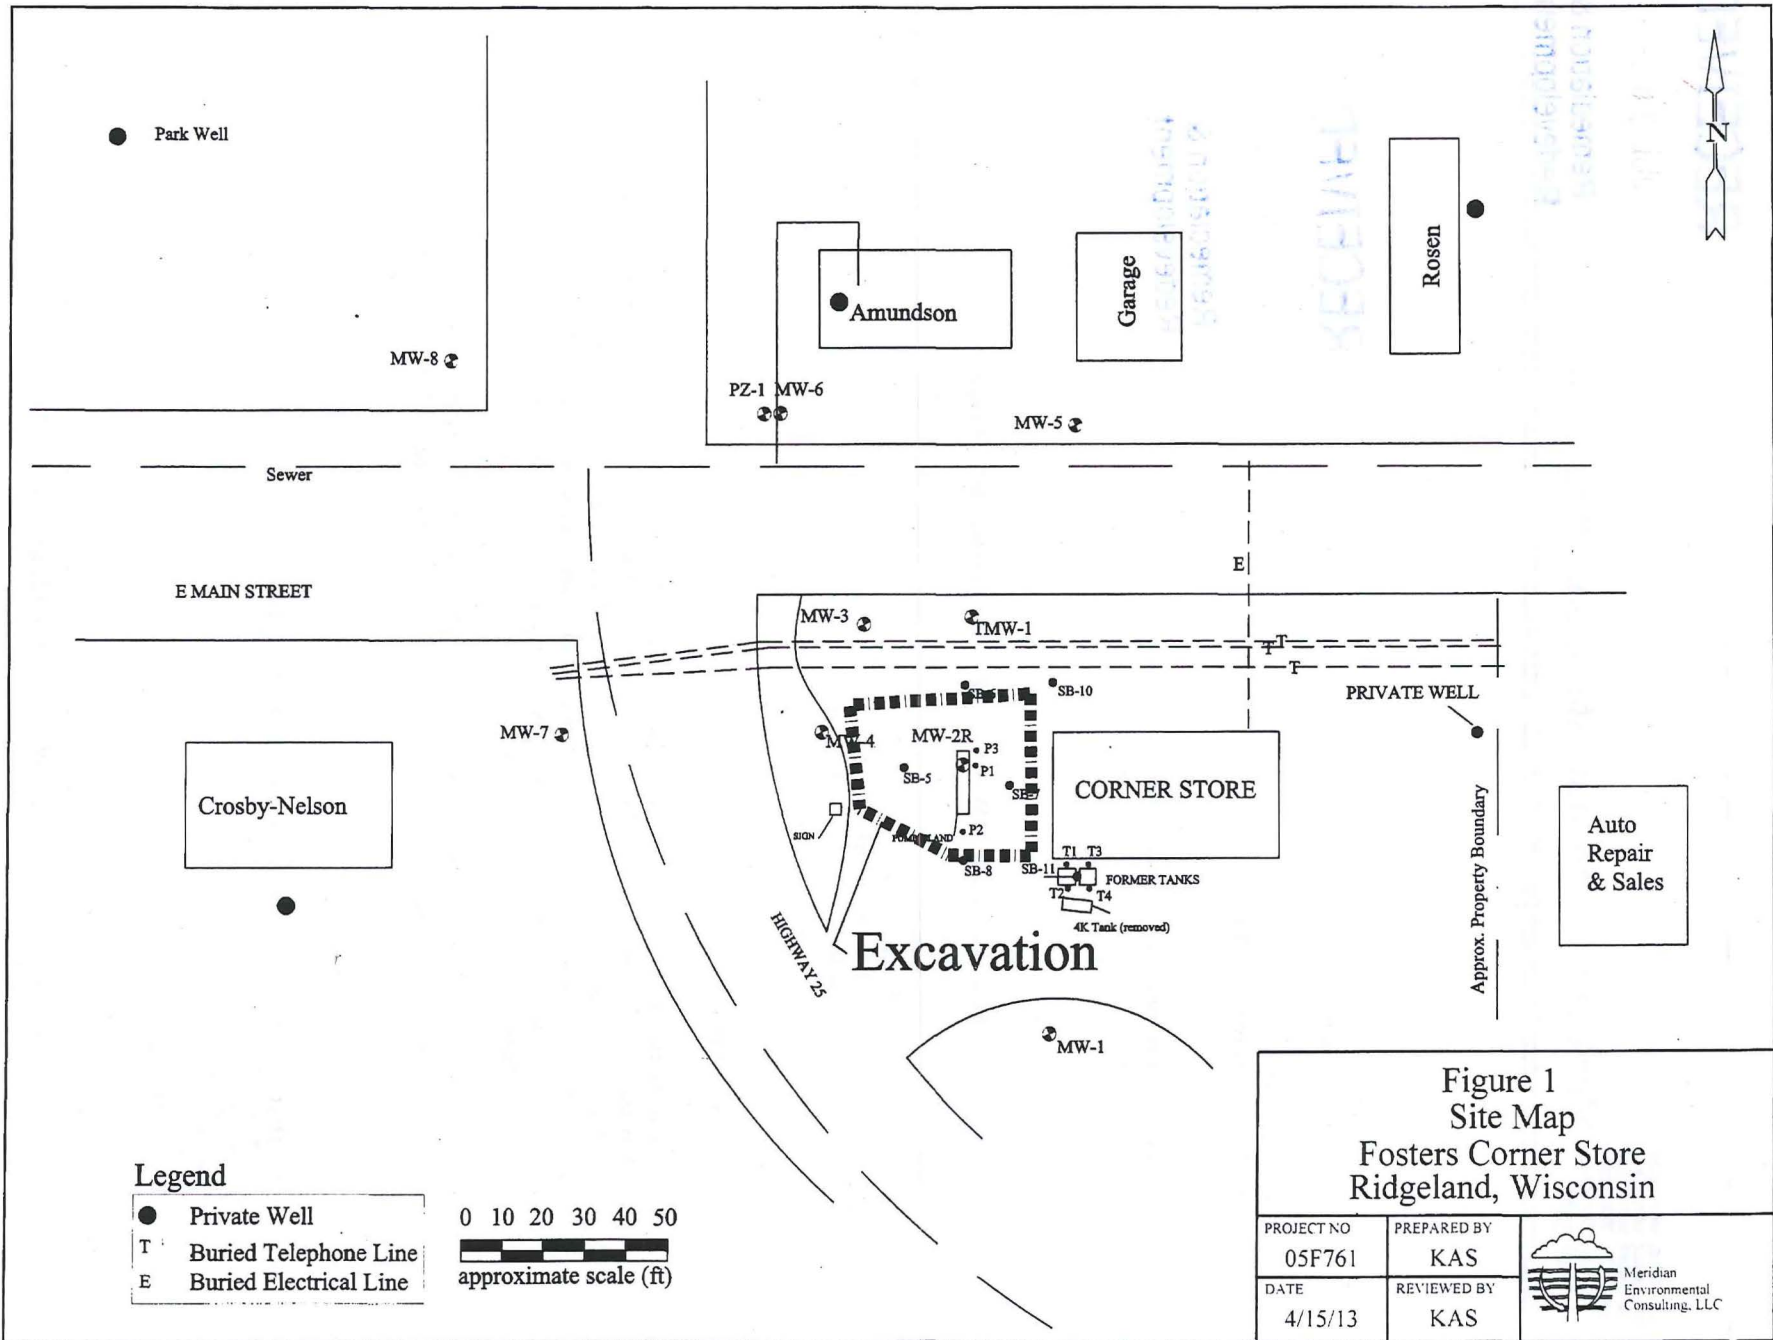

Please contact me with any questions.

Sincerely,
MERIDIAN ENVIRONMENTAL CONSULTING, LLC
