Dear Ms. Buettner:

RE: 9510 W. Greenfield Avenue, West Allis, Wisconsin

This letter acknowledges the receipt of the Scope of Work Plan dated March 7, 1990, for the above referenced site, submitted on your behalf by Miller Engineers. The Wisconsin Department of Natural Resources (WDNR) approves this plan as proposed but reserves the right to require additional work if results of this site investigation prove insufficient to:

1. define the extent and character of contamination at the site, or
2. develop an adequate remedial action plan.

Questions regarding this case should be directed to the undersigned at the above address or at (414) 562-9685.

Sincerely,

Charles J. Krohn
Hydrogeologist, Environmental Response
