Kyle.

Carrie Stoltz informed me this morning that Taylor County will take possession of the property known as Webster Pig Farm (Pershing Township). That is great news. I will be able to complete the work needed to achieve DNR Closure for that property.

As Carrie explained, the environmental work at the property is being paid by the Petroleum Environmental Cleanup Fund (PECFA). This is a State program with certain procedures. One of the procedures is that each invoice must be accompanied by a current Form W-9 (tax form - attached). The State won't even consider an invoice without this form.

I think the County can sign the forms now before taking possession.

Can you give me a call (cell 715-579-0723)?

Thanks

Taxpayer Identification Request

In order for the State of Wisconsin to comply with the Internal Revenue Service regulations, this letter is to request that you complete the enclosed Substitute Form W-9. Failure to provide this information may result in delayed payments or backup withholding. This request is being made at the direction of the Wisconsin State Controller in order that the State may update its vendor file with the most current information.

Please return or FAX the Substitute Form W-9 even if you are exempt from backup withholding within (10) days of receipt. Please make sure that the form is complete and correct. **Failure to respond in a timely manner may subject you to a 28% withholding on each payment or require the State to withhold payment of outstanding invoices until this information is received.**

We are required to inform you that failure to provide the correct Taxpayer Identification Number (TIN) / Name combination may subject you to a \$50 penalty assessed by the Internal Revenue Service under section 6723 of the Internal Revenue Code.

Only the individual's name to which the Social Security Number was assigned should be entered on the first line.

The name of a partnership, corporation, club, or other entity, must be entered on the first line exactly as it was registered with the IRS when the Employer Identification Number was assigned.

DO NOT submit your name with a Tax Identification Number that was not assigned to your name. For example, a doctor MUST NOT submit his or her name with the Tax Identification Number of a clinic he or she is associated with.
