Dear Carrie:

This Change Order is for engineering review of the site file, site visit (incl. travel time to/from and onsite time), and followup review and comments. The engineer will review the site data to assess whether the Site Investigation is complete and whether additional remedial response is warranted. The engineer will also make recommendations regarding Closure.

Travel time to/from	6 hours
Onsite time	4 hours
File Review	8 hours
Discuss with Project Hydrogeologist/Project Manager	1 hour
Recommendations	1 hour

20 hours @ \$109.67 = \$2193.40
Change Order Request (U&C) \$381.78

Total Change Order: \$2575.18

Sincerely,
MERIDIAN ENVIRONMENTAL CONSULTING, LLC
