Hi Jason, since Carrie is out I am approving this additional cost for Pb sampling directly. Let me know if you have any questions.

Carrie, in preparing for the groundwater sampling event I noticed that we had a Dissolved Lead exceedance (28 ppb) in the last round of groundwater sampling in MW-1R only. I will plan to collect Dissolved Lead in just this well for the two rounds approved. The associated costs are as follows:

1/GS15 Incremental Sample Collection	2 x \$26.25 = \$52.50
33/ Water/W7	2 x \$12.39 = <u>\$24.78</u>
<b>Total</b>	<b>\$77.28</b>

Could you approve of the additional sampling for a total of \$77.28?

I plan to have someone up there tomorrow to conduct a round of sampling.

Thanks,

**Jason Powell**
