RE: Milwaukee Plating Company

Dear Ms. Skinner:

This letter is to inform you that a release has occurred in the past from the gasoline tank located in the basement of Milwaukee Plating Company. The tank was recently abandoned in place and holes were observed in the bottom of the tank. Soil samples confirmed gasoline impacts. A tank abandonment report will be sent to you in the near future.

A release was originally reported from the fuel oil tank at this site in 1990.

If you have any questions, feel free to contact me.

Sincerely,

SIMON HYDRO-SEARCH
