Subject: Hunter's Corner Store – Bid Deferment Request for additional groundwater monitoring and closure activities.
BRRTS #: 03-27-000811, PECFA #: 54635-9999-16

Dear Mr. Vitale,

At the request of the WDNR, a bid deferment request (using Usual & Customary schedule of charges) is being submitted for additional groundwater monitoring at the subject property located at 108 South Sechlerville Road in Hixton, Wisconsin. The cost estimate will include: [1] One additional round of post-excavation groundwater monitoring from all eight site monitoring wells for PVOC and Naphthalene analysis, [2] Primary Closure Request, and [3] GIS Registry Packet (including two off-site notifications). The cost estimate is as follows:

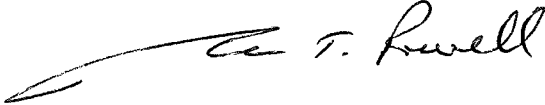

Groundwater Monitoring (1 event)	\$1,207.71
Laboratory Analysis	\$ 324.18
Primary Closure Request	\$2,700.00
GIS Packet (including 2 off-site notifications)	\$ 952.78
Change Order Request	\$ 381.78
Total	\$5,566.45

METCO is requesting a bid deferment in the amount of **\$5,566.45** to complete the above workscope. Upon state and client approval of the proposed workscope and budget, METCO will proceed with the project.

Attached is a draft standardized invoice form for the above workscope as required. Please note that we do not plan to prepare a cap maintenance plan as the remaining area of direct contact exceedences appears very small and is beneath the paved roadway. However, if the state determines that a cap plan will be required please include costs (\$320.04) to complete this task.

Should you have any questions, comments, or recommendations please contact me at our La Crosse office (608) 781-8879 or email at jasonp@metcohq.com.

Sincerely,
