Hi Tom,

For the Drilling Project at the Hanson's Property/Dehn's Ice Cream site, there was an oversight in the original cost cap request for the Drilling line item for the commodity charges.

Could you please approve the following item:

13d/DR45, Drilling in Unconsolidated Soils with Soil Sampling – 138 ft x \$16.70 = \$2304.60

Thank you,  
Debby
