**Sent:** Tuesday, February 16, 2021 3:00 PM  
**To:** Dave Larsen  
**Subject:** Kelly's Grand View PFAS Scoping Statement and Sampling determination

Good afternoon Dave. The DNR has reviewed the PFAS scoping statement you provided in email, dated February 10, 2021. Based on this information, the DNR will not be requiring you to sample for PFAS compounds at the Kelly's Grand View site. If you have any questions, please feel free to contact me. Thanks, Carrie
