I am emailing this to you for Jason, as he is not back in the office yet and he wanted to let you know that, they have finished up at Nep's Bar and may be over on tonnage. Jason will not know until the landfill gets us the tonnage report, and that probably won't be until Monday. Jason won't be back until around 5 today. He said if you have any questions or concerns to call him on his cell #608-385-1467
