**SUBJECT: Notice of Non-compliance – Chapter 292, Wisconsin Statutes  
Dicks Car Care BRRTs # 03-57-258614**

Dear Mr. Christian:

On September 14, 2000 the Department of Natural Resources (the Department) notified you of your legal responsibility to investigate and cleanup the site listed above.

The Department construes your failure to communicate with the Department and hire an environmental consultant as failure to complete investigation/remediation activities at the Site. Therefore, the Department alleges you are in violation of s. 292.11(3), Wis. Statutes.

Please be advised that violations of s. 292.11(3), Wis. Stats., are enforceable under s. 292.99, Wis. Stats., which provides for forfeitures of not more than \$5,000 for each violation with each day of continuing violation being a separate offense.

The Department is concerned about the extended length of time this issue has remained unresolved. If you fail to respond in writing within 14 days the Department will consider further enforcement action.

Please be advised the Department has the ability to record an affidavit on the property deed for the Site, pursuant to s. NR 728.11, Wis. Adm. Code, which gives notice of the contamination. The purpose of the affidavit is to alert potential purchasers that environmental contamination is present at the Site. If the contamination is successfully remediated, the Department will file a second affidavit noting the actions that have been taken to clean up the Site.

If you have any questions concerning this letter, please contact me at (920) 387-7879.

Sincerely,

Cheryl Laatsch  
Hydrogeologist, SCR Remediation & Redevelopment Program
