RE: Approval of Change Order #3,
Former Arcadia Dry Cleaners
127 West Main Street, Arcadia, Wisconsin.

FILE COPY

Dear Mr. Manley:

The proposed Change Order #3 for the above-referenced site is approved. The DNR received your request for variance of section ch. NR 169.23(3)(c), Wis. Adm. Code, known as the Dry Cleaners Environmental Response Fund (DERF) program on November 30, 2012.

The change order is necessary to adjust the site investigation budget due to costs included in the first budget change order (approved on September 3, 2009) duplicated in the second budget change order (approved on March 15, 2011).

Cost reduction approved for this change order is \$7,590.50 for consulting and \$3,071.59 for sub-contractors, for a total cost reduction of \$10,662.09. The total cost approved for this site investigation is \$32,910.50 for consulting and \$18,692.91 for sub-contractors, for a total of \$51,603.41.

Please be aware that you are required to comply with all applicable statutes and administrative rules including the NR 700 series, Wisconsin Administrative Code, hazardous waste management and wastewater discharges.

This approval does not guarantee the reimbursement of costs under the Dry Cleaner Environmental Response Program. Final determination regarding the eligibility of costs for reimbursement will be made at the time of claim review.

If you have any questions regarding the content of this letter, please call me at (715) 421-7850.

Sincerely,
