Former Arcadia Dry Cleaners
127 West Main Street, Arcadia, Wisconsin

Dear Mr. Manley:

The proposed Change Order #6 for the above-referenced site is approved. The DNR received your request for variance of section ch. NR 169.23(3)(c), Wis. Adm. Code. Known as the Dry Cleaners Environmental Response Fund (DERF) program on October 28th and 30th, 2014.

The scope of work included in this change order includes a supplement site investigation to define the extent and magnitude for vapor intrusion. Active air samples will be collected in the commercial properties: Westland Insurance Building, La Tapatia Restaurant, and Barber Shop. Sub-slab vapor samples will be collected from the Bawek's Shoes commercial property. Five soil gas samples will be collected from the area north and north-west of the Westland Insurance Building to delineate vapor intrusion in these areas.

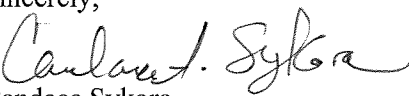

Costs approved for this change order are \$14,963.00 for consulting and \$ 12,493.00 for subcontractors. The total cost approved for this site investigation is \$11,846.00 for consulting and \$12,493.00 for sub-contractors, for a total of \$24,339.00.

Please be aware that you are required to comply with all applicable statutes and administrative rules including the NR700 series, Wisconsin Administrative Code, hazardous waste management and wastewater discharges.

This approval does not guarantee the reimbursement of costs under the Dry Cleaner Environmental Response Program. Final determination regarding the eligibility of costs for reimbursement will be made at the time of claim review.
