SUBJECT: Final Case Closure
DT Liquor & Convenient Store, 3019 State Highway 80 North, Cuba City, WI
DNR BRRTS Activity #: 03-22-262317

Dear Mr. Davis:

The Department of Natural Resources (DNR) considers DT Liquor & Convenient Store closed. No further investigation or remediation is required at this time. Provide this letter to anyone who purchases this property from you.

This final closure decision is based on the correspondence and data provided, and is issued under ch. NR 726, Wis. Adm. Code. The South Central Region (SCR) Closure Committee reviewed the request for closure on February 1, 2018. The DNR reviews environmental remediation cases for compliance with state laws and standards to maintain consistency in the closure of these cases.

This former liquor and convenience store had petroleum soil contaminated soils which were removed by soil excavation.

Please be aware that the case may be reopened pursuant to s. NR 727.13, Wis. Adm. Code, if additional information regarding site conditions indicates that contamination on or from the site poses a threat to public health, safety, or welfare or to the environment.

The DNR appreciates your efforts to restore the environment at this site. If you have any questions regarding this closure decision or anything outlined in this letter, please contact Janet DiMaggio at the address above, by calling (608) 275-3295, or by email at janet.dimaggio@wisconsin.gov.

Sincerely,

Steven L. Martin, P.G.
