Dear Ms. Keenan:

We request a bid deferral at the former B&B Motors site to abandon the groundwater monitoring wells.

We request a deferral to cover the following costs:

- Obtain approval of costs from the WDNR PECFA program for reimbursable expenses to complete the required remedial activities.
- Abandon seven groundwater monitoring wells (245 feet).
- Prepare and submit monitoring well abandonment forms.
- Prepare and submit a PECFA claim (costs not included).

The estimated cost to complete this scope of work is \$2,321.84. I have included a table outlining the additional costs. If you have any questions or require additional information, please give me a call.

Sincerely,
