Dick Schwan called

RE: 45-1398, Schwan Oil Co.

---

He said he was having problems acquiring funding for the S.I. He gave several reasons for not ~~going~~ going forward. I said I'd check on a few things. (talk to Tom) I contacted Jeff LaViolette whom Mr Schwan had worked with on the tank pull. He had also contacted Jeff recently. (probably due to the non-com letter I sent 11/7. I advised Jeff to contact Mr. Schwan ~~in~~ in terms of setting him up with a consultant who could find banks Mr Schwan could deal with.
