SUBJECT: (As per your letter 11-24-98) Environmental Con-
tamination On Property Located at 402 Lincoln
Street, Village of Hortonville, Outagamie County,
Wisconsin

Dear David A. Hildreth:

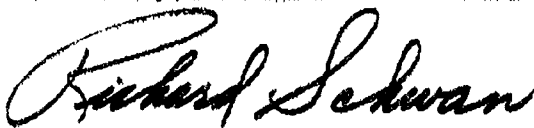

This letter is to again inform you that the property in
question is not at 402 South Lincoln Street. It is not on
Lincoln Street at all. It is on Alley # 2.

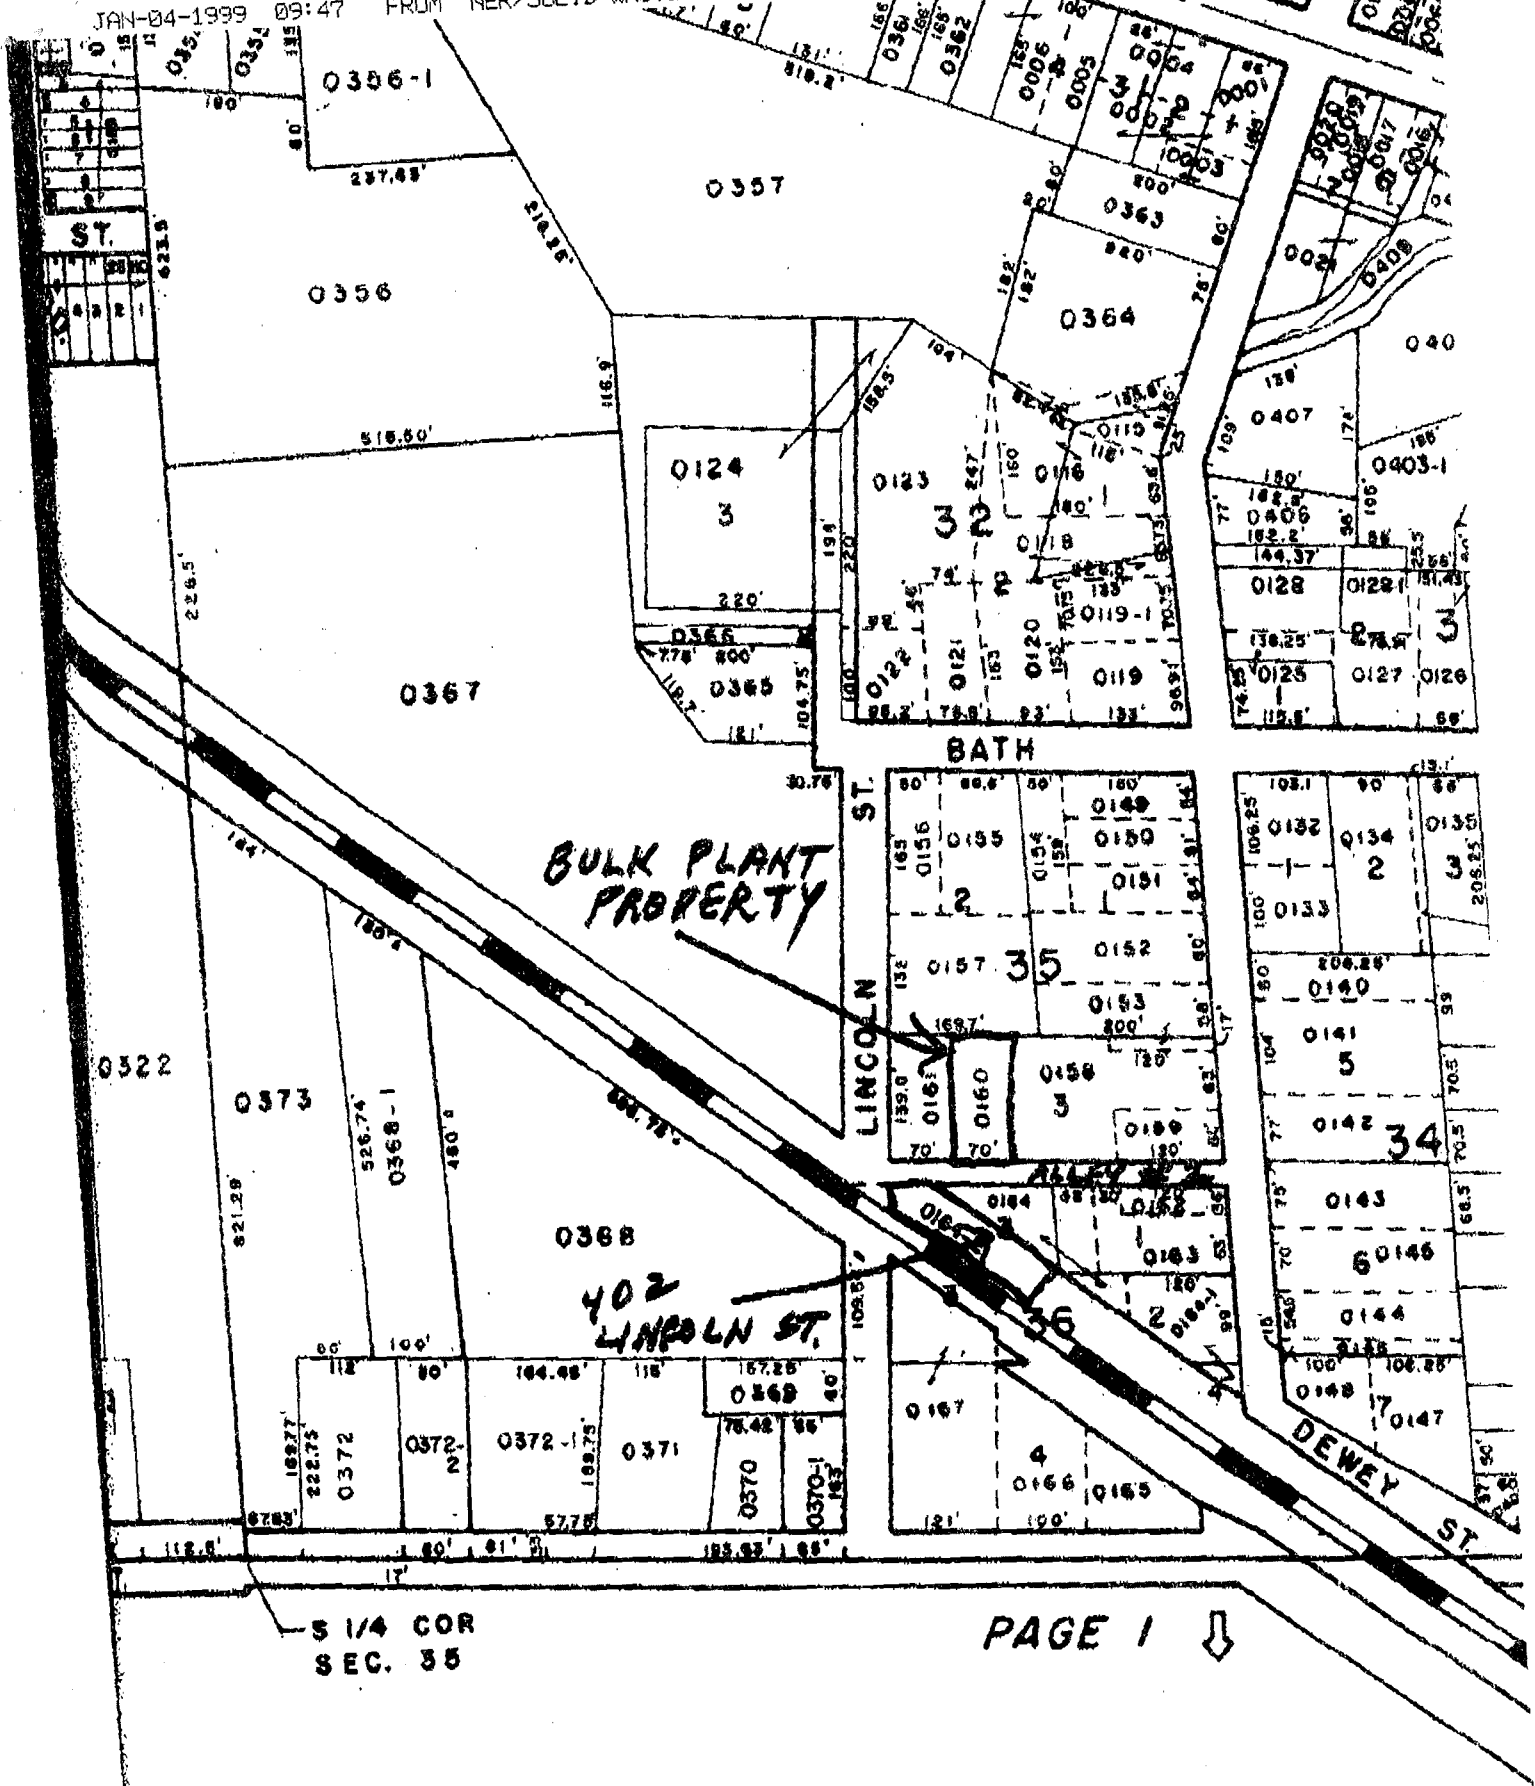

To better show you the location I have enclosed a map
taken of the official Village map.

I have written previously by certified mail to inform you
of this error and cannot understand why it has not been
corrected.

Again, if you have any questions on the location of the
property which had the tanks on it, you may contact me.

Sincerely,

5 1/4 COR
SEC. 35
