RE: Transfer of Project Management
Schwan Oil Co – Bulk Plant, Alley No. 2, Hortonville
DNR BRRTS # 03-45-001398

This letter is to inform you that Department of Natural Resources (DNR) project management of this site has been transferred. Please send all future correspondence to:

Beth Erdman
Wisconsin Department of Natural Resources
625 E CTY Y, Suite 700
Oshkosh, WI 54901

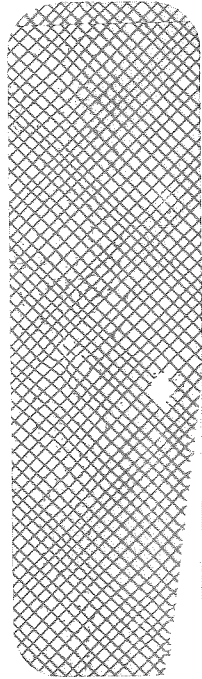

In addition to the above, I have reviewed your file and the deed affidavit for contamination was filed on January 7, 1999. At this time nothing is required of you. However, changes to the Petroleum Environmental Cleanup Fund Award (PECFA) have occurred since that affidavit was filed, that in some cases, depending on eligibility, require little to no initial out of pocket costs to the Responsible Party. I would like the opportunity to discuss those options with you in an effort to complete the cleanup at your property. If this is something you would like to discuss or potentially pursue, please contact me within 30 days either in writing at the letterhead address, by telephone at (920) 303-5410 or via email at beth.erdman@wisconsin.gov.

Sincerely,

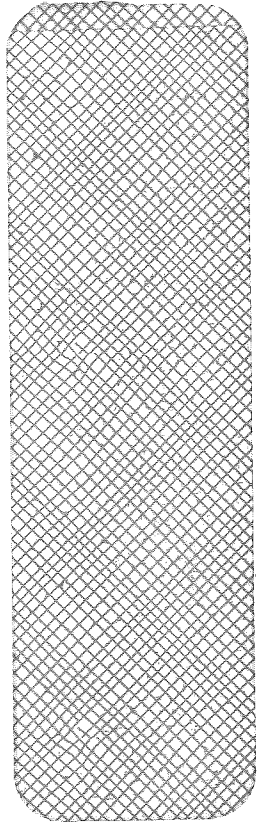

A handwritten signature in cursive script that reads "Beth A. Erdman".
