Good Morning Patrick,

I am following up on a few of my previous conversations/emails with regard to PECFA funding to clean up properties like the one above. I am curious if you had an opportunity to look through my June email and if it was of any interest to you? I am happy to have additional conversations if at any time you think this is something that may be of interest.

Thanks much,

Beth

Good Morning Patrick,

This email is a follow up to our telephone conversation with regard to the property above, parcel ID# 240 016000. I have attached a link to a document that explains the PECFA program. Additionally the link to the PECFA page on the DNR website. If you have questions or would like additional information I am happy to assist in any way I can. Thank you for your time this morning.
