Re: Schwan Oil Co – Bulk Plt – RP Mailing Address

9:15am

Sarah Frederick called the City of Hortonville Post Office and spoke with Katie. Sarah inquired as to the identity of the 'owner' of PO Box #45 as listed on the Outagamie County Tax Record for the Schwan Oil Co – Bulk Plt site. Katie was unable to fulfill Sarah's request. Katie explained that the Post Office is not able to divulge this information. Katie suggested that Sarah call back and speak with the Postmaster who may be able to provide further information.

10:50am

The Hortonville Postmaster, Lynn Bailey, called and left a voicemail requesting that Sarah return her call.

11am

Sarah returned Lynn's call. Lynn reiterated the fact that she could not divulge the identity of the PO Box holder. Sarah inquired as to whether the PO Box was currently being used by the same person/family as had been using it back in 1999 or 2001. Lynn did confirm that the PO Box is currently being used by the same family as had been using it in 1999 and 2001. An elderly woman does check the PO Box and she does refuse some mail.
