Dear Mr. Vitale,

A variance request is being submitted for having a Professional Engineer conduct a file and closure request review and to sign the closure package (as required by the state) for the subject property located 405 Washington Street in Merrilan, Wisconsin. The cost estimate is as follows:

(Variance: 6 hours @ \$94.13/hour = \$564.78)

METCO is requesting a variance in the amount of **\$564.78** to complete the above workscope. Upon state and client approval of the proposed workscope and budget, METCO will proceed with the closure request.

Should you have any questions, comments, or recommendations please contact me at our La Crosse office (608) 781-8879 or email at jasonp@metcohq.com.
