Dry Cleaner Environmental Response Program Remedial Claim Application, Former Norge Cleaners (Beloit Road Valet Cleaners), 6854 West Beloit Road, West Allis, Wisconsin (BRRTS #02-41-271535) **ACTION # 217 - FOR REMEDIAL ACTION**  
**FIO 241287200**

ENVIRONMENT

Dear Ms. Mylotta:

ARCADIS has completed a Dry Cleaner Environmental Response Program (DERP) claim application for reimbursement of eligible costs incurred during remediation activities at the above-referenced property (the Site). This application includes the services and associated costs incurred by the applicant through April 2, 2006. The Wisconsin Department of Natural Resources (WDNR) approved the remedial action activities on February 26, 2003.

Mr. Norman Getz, owner of the former Norge Village Cleaners in West Allis, is the applicant. Invoices issued by ARCADIS are routed through Chicago Title Insurance Company via an escrow account established by the City of West Allis, the entity that is acting as the lender for this project. In lieu of submitting copies of canceled checks as proof of payment, Chicago Title Insurance has issued an "Escrow Receipt and Disbursement Authorization" document to confirm the payments were made to ARCADIS for services rendered. This form of documentation was approved by Jeff Soellner as acceptable proof of payment for claim submittals. The associated check numbers for the payments are shown on the escrow receipt and on DERP Form 4400-214.

Based on recent changes to NR 169, it is understood that the WDNR is requesting that reimbursement claims be accompanied by a summary of the project budget status. Three claims for remediation services were submitted prior to the submittal of the enclosed claim, before the WDNR implemented its request for a budget summary. Therefore, the budget status summarized on the attached Table 1 (through April 2, 2006) includes the costs incurred on the three prior claims as well as on the fourth claim enclosed herein. The WDNR approved change orders for supplemental remediation services in the amounts of \$22,636.25 (approved December 4, 2003), and \$95,675 (approved June 30, 2005). Copies of the WDNR approval letters for the supplemental change orders are enclosed herein.

Should you have any questions or require additional information related to this claim application, please call us as soon as possible so that we can address your questions. ARCADIS would like the WDNR to be aware that the applicant is incurring interest charges by the lender for the balance of the loan, and those interest charges are not eligible for reimbursement. Anything you can do to expedite review of this claim so that it can be forwarded to Jeff Soellner promptly would be appreciated.

Sincerely,
