Mr. Richard, I am the attorney for James Nardo and CCF Inc. We are in receipt of your July 16, 2021, request for additional information supporting CCF's Post Closure Modification Request.

My client has requested that I reach out to you in response to your request but with the information that other issues have arisen which are delaying incurring the costs of further investigation at the site. My client is hopeful to have those issues resolved sometime this calendar year. If they are resolved to his satisfaction, complying with your request for additional information will be next in line.

Accordingly, please keep this Post Closure Modification Request file open.

I anticipate that I will be able to be back in touch with you before the end of 2021. If you have any questions in the interim, please do not hesitate to contact me.

Regards,

Bruce A. Boeder
