SUBJECT: Post Closure Modification Request Not Approved, Clear Lake Circle C Site, 426 USH 63, Clear Lake, Wisconsin DNR BRRTS #03-49-274529

Dear Mr. Nardo:

On December 3, 2018 you submitted a post closure modification request for the Clear Lake Circle C site. The request was reviewed by the Department on December 18, 2018. An email requesting additional information was sent to your consultant (SEH Inc.) on January 16, 2019. The Department also sent a status update request letter on July 16, 2021. Your attorney, Mr. Bruce Boeder, responded with an email on August 12, 2021, stating that he would try to respond by the end of 2021. Our files indicate that we have not received any written correspondence or reporting for the case since the August email.

Based on the lack of response or action, the Department has determined that the Post Closure Modification is not approved.

If you have any questions, please feel free contact me at (715) 661-0125, or by email at philip.richard@wisconsin.gov.

Sincerely,

Philip E. Richard
