SUBJECT: Enforcement Case Close-out

This memo is to document justification for close out of the enforcement case file for Shane Rader / Rib River Developers LLC. A Notice of Violation was issued to Mr. Shane Rader on April 15, 2019 in an attempt to get Mr. Rader conduct site investigation on the former Trantow property located at 3407 Sherman Street, Township of Stettin, Wausau, Wisconsin. An enforcement conference was conducted with Mr. Rader on April 30, 2019. During the conference, Mr. Rader indicated that he does not have the financial resources to conduct the required investigation and removal of the waste materials on the site.

After review of all information, it was determined by the Remediation & Redevelopment program determined that an attempt will be made to manage the required clean-up and inspection through State or Federal funding options. Based on this information, at this time, it is unnecessary to maintain an open enforcement action in this case. Based on that, SharePoint Case 2019-WCEE-Trantow will be closed as of the date of this memo.
