Subject: BRRTS #02-41-278106 Colony Dry Cleaners Fmr Change Order

Hello Tim,

I am reviewing the Change Order Request for Completion of the Site Investigation Work Plan for the Colony Dry Cleaners site, but I cannot review and approve the cost as a lump sum amount. As this is still in the investigation phase, using DERF, costs must be incurred at the approved rates for the original Sigma cost proposal in 2003, which UEC accepted on 3/22/2004. The DNR can only approve costs at higher rates with a variance request and adequate justification, per Wis. Admin. Code s. NR 169.23(10).

Please provide a cost proposal that includes unit costs and associated estimated number of hours used to calculate the cost for work plan preparation for DNR review as soon as possible. Let me know if you have any questions about this.

Thank you,
Linda
