Dear Mr. Maass,

General Engineering Company (GEC) is requesting a Bid Deferral to complete the additional sampling requested by the Wisconsin Department of Natural Resources (WDNR) to fulfill the requirements of closure for the above referenced site. Costs include sampling the potable wells at the three properties located south of Wards Corner Garage and analyzing the samples using EPA method 524.2.

Costs requested using the UCCS Standardized Invoice #20 are attached and include; three offsite access agreements, potable well field reconnaissance, sampling three potable wells, sample analysis for EPA method 524.2, and a letter report addendum summarizing the results totaling \$4,584.75. GEC looks forward to your response. Please do not hesitate to contact me with any questions or concerns.

Respectfully submitted,

GENERAL ENGINEERING COMPANY
