Subject: Hayton Area Remediation Project (HARP) Operable Unit 4/ Lower Remedial Documentation Report,  
January 2021

Dear Ms. Williamson:

Thank you for submitting the above referenced report. Pursuant to the November 2018 Negotiated Agreement between the Department of Natural Resources (Department), Tecumseh Products Company (Tecumseh) and TRC, the Department has concluded that Tecumseh and TRC have met the obligations for the Remedial Action Scope of Work OU4/ Lower, April 2018.

The Department hereby grants a No Further Action determination for HARP Operable Unit 4 (OU4) Lower, located in and near The City of New Holstein, Calumet County, Wisconsin under Wis. Admin. Code ch. 708. Based on the information available at this time, the Department has determined that the interim removal action is completed and that no further soil and sediment remediation is anticipated for OU4/Lower at this time, as contemplated by the Negotiated Agreement.

TRC and Tecumseh remain subject to the terms of the 2018 Negotiated Agreement and final Department review, approval, and case closure for the site pursuant to Wis. Admin. Code chs. NR 725 & 726.

Sincerely,

Christine Haag, Director  
Remediation and Redevelopment Program
