[sent electronically]

Subject: Notice of New Project Coordinator
HAYTON AREA REMEDIATION PROJECT, 225 Feet West of Taft and Jefferson, City of
New Holstein, WI
WDNR BRRTS #: 02-45-281506

Dear Ms. Williamson:

The Wisconsin Department of Natural Resources (DNR) is informing you of a change in project coordinator under the negotiated agreement for your site. Please direct any future correspondence pertaining to the Hayton Area Remediation Project and associated BRRTS cases including HARP Downstream of the Hayton Millpond Dam BRRTS # 02-08-587108 and HARP Site Long Term Monitoring BRRTS# 02-08-587669 to:

Sarah Krueger
Wisconsin Department of Natural Resources
2984 Shawano Ave
Green Bay, WI 54313-6727

The DNR currently has three fee reviews for the Hayton Area Remediation Project and associated BRRTS cases including a Long Term Monitoring Plan, titled Natural Recovery Monitoring Plan for Surface Water and Sediment dated April 15, 2021 as part of the HARP Site Long Term Monitoring BRRTS case, a Revised Site Investigation Work Plan and Quality Assurance Project Plan dated June 9, 2021 as part of the HARP Downstream of the Hayton Millpond Dam BRRTS case, and a Remedial Action Standards Documentation Report dated June 24, 2021 as part of the Hayton Area Remediation Project BRRTS case. These documents are currently under review and responses will be provided upon completion.

In the meantime, if you would like to reach out to me with any questions or concerns please call me at (920) 510-8277 or email me at Sarah.Krueger@Wisconsin.gov.

Sincerely,

Sarah Krueger
Project Manager, Northeast Region
Remediation & Redevelopment Program
