Sarah,

Good morning. Please see the attached letter requesting an extension to submit the revised Remedial Action Standards Documentation Report.

Thank you for your consideration.
Chris

**Subject: Extension Request – Remedial Action Standards Documentation Report
Hayton Area Remediation Project
Chilton, WI
BRRTS 02-08-281506**

Dear Ms. Krueger:

In correspondence dated November 17, 2021, the Wisconsin Department of Natural Resources (WDNR) requested Tecumseh Products Company LLP (Tecumseh) to provide a revised Remedial Action Standards Documentation Report (Report) for the Hayton Area Remediation Project (HARP) on or before February 15, 2022.

The revised Report is being prepared, addressing the comments provided by WDNR and as discussed on February 7, 2022. As such and with consideration of project deliverables and priorities, on behalf of Tecumseh, we are requesting that WDNR grant an extension until August 31, 2022, to address the comments and submit the revised Report.

Thank you for your timely consideration and approval of this request.

Please do not hesitate to contact me should you have any questions or comments.

Sincerely,

TRC

Chris Harvey, PE
Principal
