Good afternoon Ron

I am temporarily the project manager on this site (probably only until the first week of April) but may be the PM until this site closes. I actually just had the chance to go over the closure packet this morning. I'm hoping to have this site brought to the Northeast Region Closure Committee (either by myself or a new employee) on Thursday, April 5<sup>th</sup>. If you have any questions let me know.

#### **We are committed to service excellence.**

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.

We just received the DNR closure fees from our client for this site and will be sending you a check soon.

You have already received the closure report, so once you receive the check, you can review the report.
