Carrie.

Please see attached.

It is our understanding DNR advises the Vapor Intrusion lab reports be revised to include 1,2 DCA & EDB.

Attached is a spreadsheet for obtaining revised reports at 5 sites. The cost is \$75 per report.

Can you put a note in Tracker for each site?

Thanks

Hi Kirsten.

Another site where we are requesting report to be revised to include 1,2 DCA and EDB.

How much will this cost?

Thanks
