Hi Jason,

I am approving the requested costs for the additional tonnage removed and disposed during excavation activities at the Auto Repair on Vliet St. site. The total cost approved for this extra tonnage is \$736.26.

I will add this email to our electronic file as a record of the approval. Be sure to include this email with your claim(s) that include these costs.

Let me know if you need anything else.

Best,  
Riley
