Hi Debby,

I am approving the requested U&C costs for the addition of one unit of concrete penetration at the Auto Repair on Vliet site. The total cost approved for this addition is \$75.06.

I will add this email to our electronic file as a record of the approval. Be sure to include this email with your claim(s) that include these costs.

Let me know if you need anything else.

Best,  
Riley

**Subject:** Auto Repair on Vliet, BRRTS Activity 03-41-286924

Hi Riley,

I am writing to request a cost cap for the Drilling Project at the Auto Repair on Vliet site, PECFA #53205-1833-81. The cost that needs to be approved is as follows:

Task 15/MDT40, Concrete Penetration – 1 x \$75.06 = \$75.06

If you are alright with making a note in tracker to approve these costs, METCO is fine with that, as well.

Thanks,  
Debby
