RE: **PECFA Deductible Waiver and Reduction Approved**
PECFA #: 54914-3412-29 DNR BRRTS #: 03-45-002078
KORTH PROPERTY. 1629 W. WASHINGTON ST, Appleton, WI 54714

Dear Mr. Korth

Based on the financial information you submitted, we are **approving both a reduction of the PECFA reimbursement deductible to \$5,279.60 and are waiving/deferring the deductible at this time.** This approval is based upon the documents that you submitted that support your inability to pay the full deductible. The amount of the deductible for your site is **\$5,279.60**. **The lien that will be put on the property will also read: \$5,279.60.** Since a lien will be recorded, this waiver of deductible is effectively a deferral of the deductible (i.e., will need to be paid in the future).

A lien will be placed on the property with the register of deeds for **Outagamie** County in which this property is located. As soon as the lien is processed and recorded with the county, a notice of lien will be mailed to you.

I have included copies of both the application forms indicating my approval.

Thank you again for your efforts to protect Wisconsin's environment. If you have any questions, please contact me in writing at the letterhead address or by telephone at 608-267-7533.

Sincerely,

A handwritten signature in black ink, appearing to read 'J Moser'.
