SUBJECT: 529 South Park Street Closure Data

Dear Ms. Gilson:

The Department has reviewed the soils data submitted as part of the January 16, 1998 Tank Closure Data Report for the 529 South Park Street site. Based on the soils data provided there has been no detected release of petroleum residues to the environment from this site. Consequently, no further investigation or remedial actions are required at this site. If you have any questions or comments on this letter please contact me directly.

Sincerely

Michael Schmoller  
Hydrogeologist
